“ Roy , I'm so sorry to hear about your loss. I haven't seen you in a while and I'm sorry I never had the chance to meet your wife
May her memory live on in your family's heart and may God take care of her.

“ There are NO words that can deal with this, and the loss of a loved one. The ideal couple is what comes to mind - and one that should go on forever. When you grow up with friends, that become long term part of your journey...it is never easy to have this happen. I send our very heart felt loss for Roy and family - and pray that the journeys that follow all lead to heaven. When I close my eyes, I see a beautiful couple.....when I think it through, I stand in awe. God rest - and peace and Grace.

“ Sending my deepest sympathy to the dear family -Roy, Noelle, and Holly. Even though it has been many years since I've seen Carol, I still recall her incredible loving spirit. I don't remember when exactly Carol and I met (probably was through girls scouting). Carol convinced me to become co-chair person of the 30 troops in our neighborhood. Carol was completely organized, efficient, professional, and taught me so much (not to mention so much fun to share many laughs with her). We were often in over our heads but Carol always knew the right thing to do! Another fond memory was often seeing Carol and Roy walking one of their shelties (Cassie and ?) in the neighborhood. Carol was devoted to her family. Her kind, strong, and gentle nature was an inspiration to us all. I feel so blessed to be a small part of an amazing well lived life. God bless Carol and her wonderful family. You are all in my thoughts with much love always. Carol and Ray Dearth
